

## KIWASSEE KIWANIS of MIDLAND, MI

Invites you to join your neighbors in displaying the American flag

And we do all the work for you!

American Flags will line your street on five major United States holidays each year:

Memorial Day, Flag Day, Independence Day, Labor Day, Veterans' Day

On each of these days, early in the morning, we will place a 3' x 5' flag, which was made in the USA on a 10' pole in your yard at a location you choose. Nothing is attached to your house. We will pick it up before nightfall and store it until the next holiday. The flag remains the property of KIWASSEE Kiwanis Club but you enjoy, along with many others, the opportunity to honor this great nation in which we live.

Members of the KIWASSEE Kiwanis Club, along with hundreds of thousands of other Kiwanians around the world, are men and women volunteers dedicated to serving children, family organizations, and communities through projects accomplished by our sweat equity involvement and supported by fundraising activities like this.

**You can participate in the KIWASSEE Kiwanis Flag Project for only \$30.00 per year.** If you would like to know more about us and about our projects visit [kiwassee.org](http://kiwassee.org). For personal inquiries please call Heather McLaughlin at 859-1922.
