#### INSTALLATION OF OFFICERS

Lieutenant Governor Jim Stone presided over the installation of officers for Kiwassee Kiwanis for the 2007–2008 year. Jim thanked Kiwassee for doing a great job in sponsoring the convention. He then thanked outgoing president Duane Townley for an outstanding year as president of Kiwassee Kiwanis this year.

Jim thanked the following board members who are going off the board this year: Bob Wise, Diane Stevens, Gene Woodward, and Jim Jocks. He inducted Penney Icarius, Joan Glynn and Cal Hoerneman as new board members; Jack Higgins and Bob Davidson as secretaries; Bob Ralston and Jim Morgan as treasurers; Al Klashak as vice president elect; Renaee Yates as first vice president; and Dick Jellum as president.

Jim said that the motto of the Kiwanis President is “Bridge between ideas and solutions.” He wants each club to “attempt one new project this coming year.”

Dick Jellum told us that ours is a good club. We support many groups, organizations and service projects. We need new members. All of us should do a little more.
