ANNOUNCEMENTS

Brian Goodwill – Bell ringers, if you have a bell ringing shift soon and are not sure of the timing, contact Brian to confirm your shift.

Dick Jellum – Nut Hut store inventory will be kept very lean from now on. Back orders have been filled and are marked with name of who ordered and stored at Nut Hut. Fire sale will be at the first January meeting.

Gordon Rogers – Thank you to everyone who worked last week at the Nut Hut. This is the final week! Saturday hours are 9:30-11:30am only.

Doug Snoddy – The party for the Central Park Elementary first graders last Tuesday was wonderful. Thank you to all who worked on the party. Some of the children wrote thank you notes to us, and those notes were passed around the room. Thank you to spouses and family of Kiwanians for their support of club members as they spend hours and dollars working on projects and activities.

Guests – Kiwanians introduced themselves and the guest(s) accompanying them to the party today. Two especially notable guests were Kent Rupprecht, Walt Rupprecht's son, and Kathy Williams, guest of the Morgans. Kathy is the widow of founding Kiwassee member and past president, Larry Williams.

KIWASSEE KIWANIS CHRISTMAS LUNCHEON

Kiwanians and their guests enjoyed appetizers while the 4 piece band set up and created Christmas background music for greetings and seat selections. Caterer Pat provided a delicious buffet for us, with several flavors of pie for dessert. The four band members were Roland Wallace (past Kiwanian and former President) on bass, Tom Haynes, drums, Val Lemon, piano, and David Sully, trumpet.

NO MEETING 12/26/17
