ANNOUNCEMENTS

Doug Snoddy: Today's musicians are Dow High students; see details about them below.

Next week's program, sponsored by Human and Spiritual Values, will feature Saginaw Valley University's OLLI (Osher Lifelong Learning Institute), an organization that offers non-credit educational programs and travel opportunities for folks over-50. BRING A GUEST OR TWO!

Follow Kiwassee on Facebook (consult a grandchild or nearby teenager if you need help figuring out how to accomplish this feat). Doug updates it regularly with photos and news items.

ENTERTAINMENT: Doug introduced the three Dow High students who provided music for members and special guests enjoying today's Valentine's Day Party.

Abby Carn, junior, joined Key Club as a freshman and will serve as club president next year. She's played the piano for eleven years and has been the organist at her church for the past four years. She also sings in the choir and plays the ukulele—in fact, she sang and played in Aktion Club's Talent Show in October! Abby plans to attend college in Provo, Utah.

Emily Wyatt is a sophomore who plans to join Key Club soon! She is new to Midland, having moved here from Brighton, and has been singing for eleven years. She is active in no fewer than SIX choirs!

Senior Becca Haines is currently serving as Key Club president. She has played the piano for ten years and the viola for eight or nine. She also performed on the piano in the Aktion Club Talent Show. Becca plans to attend either the University of Michigan or Michigan State University next year, majoring in molecular genetics and German.

Doug explained that the club all but depleted its treasury to help send ten members to the Michigan District Service Leadership Conference at the end of the month; Kiwassee members took up a collection of over \$300 to help them replenish their funds. Thanks to Abby, Emily, and Becca for sharing their talents with us today!

NEXT WEEK: Be sure to bring a guest or two or more to the meeting—the program promises to be interesting and relevant!
